Details have just been released on the Plano West Football Golf Tournament. An annual tradition for 16 years, the Plano West Quarterback Club has used its golf tournament to both raise money to support the Wolfpack Football team, but also to support key local charities. This year, the BLUE NATION announced that the North Texas Food Bank will be the beneficiary of some of the proceeds of this event.

The tournament will be held on Monday, June 12th at the Glen Eagles Golf Course in Plano, Texas. Registration and lunch will begin at 11:30 AM, with a 12:30 PM shotgun start. An auction and awards dinner will follow in the clubhouse.

You can get all the details about the tournament on the Plano West Football website at: www.planowestfootball.org on line. Look for the tab labeled QB CLUB at the top, and then the tab for ANNUAL GOLF TOURNAMENT. An information package is available for download there, or under the FORMS tab on the home page.
