In a special ceremony tonight between quarters at the Plano West Homecoming game, Honda and Dave Campbell's Football recognized a long time Plano West football dad for his 15 years of service to Plano West Athletics. Over 650 nominations were received in the state of Texas, and Tom was selected as one of 15 to be honored this year.

Tom, his wife Laura, and his family have been long time supporters of Plano West and its athletic programs. They had two sons play for the Wolfpack (Thomas 2005-2007 and Chandler 2011-2014) under former coach and AD Mike Hughes. They are Lifetime members of the Plano West Quarterback Club, and still support the program despite all of their children having graduated from West. Tom helps with the website and mobile app for the club, as well as volunteering where he can. He says "you have to keep giving back to the program to continue to celebrate our kid's successes!" He goes on to say that it is more than just wins and losses; his sons

and countless others have a lifetime of memories of playing Texas HS football that they will never forget!

The Wolfpack is proud to honor and support Tom Morris and his family as our Blue Nation recipient of this award!
