

Here is a list of things you should know before you attend games:

- Tickets must be purchased online for the games. You can purchase tickets when you get to the game, but you will have to do so online. Our ticket taker will simply be scanning pre-purchased tickets at the door. **See QR Code below for ticket info.**
- There will be a limited number of seats to each event. We must comply with state health guidelines and UIL established protocols for UIL events. We encourage you to get tickets early to ensure you have a seat. Each different type of event (football game, volleyball game etc.) has a different max number. More details for football tickets will come out soon.
- Each person attending the game will be required to prescreen themselves and if they say yes to any of the questions, they will not be allowed to enter.
- Visitors must wear a mask at all times unless eating. Please help us with this to keep everyone safe. **No one will be allowed to enter if they do not have a facemask.**
- Every other row will be designated for no seating to establish social distancing. We ask that family groups sit together and that there be six feet of separation between each family group.

Games will be live streamed. Subscription information is available at NFHS Network (<https://www.nfhsnetwork.com/>) Game information can be located by typing in your school name in the browse feature at the top of the page
